

New Option for Lunch!!

Starting Tuesday, Jan 17th and continuing every Tues and Thurs for the remainder of the school year students at the Elementary will have the option of an Opa! To Go lunch!

What is this?

This is a cold lunch option served in a "To Go" container. All they have to do is grab their milk, stop at register and go eat! It will include the entrée, fruit, and side salad.

Student may still get more fruit/veggies off the bar!

What are the options?

Tuesday's choice will be a Pizza Munchable!

Thursday's choice will be a Turkey and Cheese Rollup!

What is the cost?

This counts as a lunch option! It will be entered as their normal lunch!

How do you order?

On Tuesday and Thursday there will be 'D' option when entering meal counts, salads will still be available to order.

I will do my best to send reminders out on Monday and Wednesday!

I hope the kids like having this extra option! If you have any concerns or questions please feel free to contact me!
