

Technology Update Board Report

March 12th, 2018

Overview

Teacher Training
Digital Citizenship
Insurance
Breakage
ISO Duties
Recommendations

Teacher Training

- × March 2nd Inservice was successful
- × Updating and revamping the leveling up system
- × Creating cohort groups next year to develop technology teacher leaders
- × Continue meeting with teachers to address needs

Digital Citizenship Student Committee

- × Piloting in the High School
- × Increase student voice and influence on culture of the building
- × Students apply to participate
- × Meet weekly during SOAR to develop digital citizenship curriculum for the high school
- × If successful, branch out to Middle and Elementary schools

E-Rate Projects

New APs

New APs have been delivered and will be installed over the summer

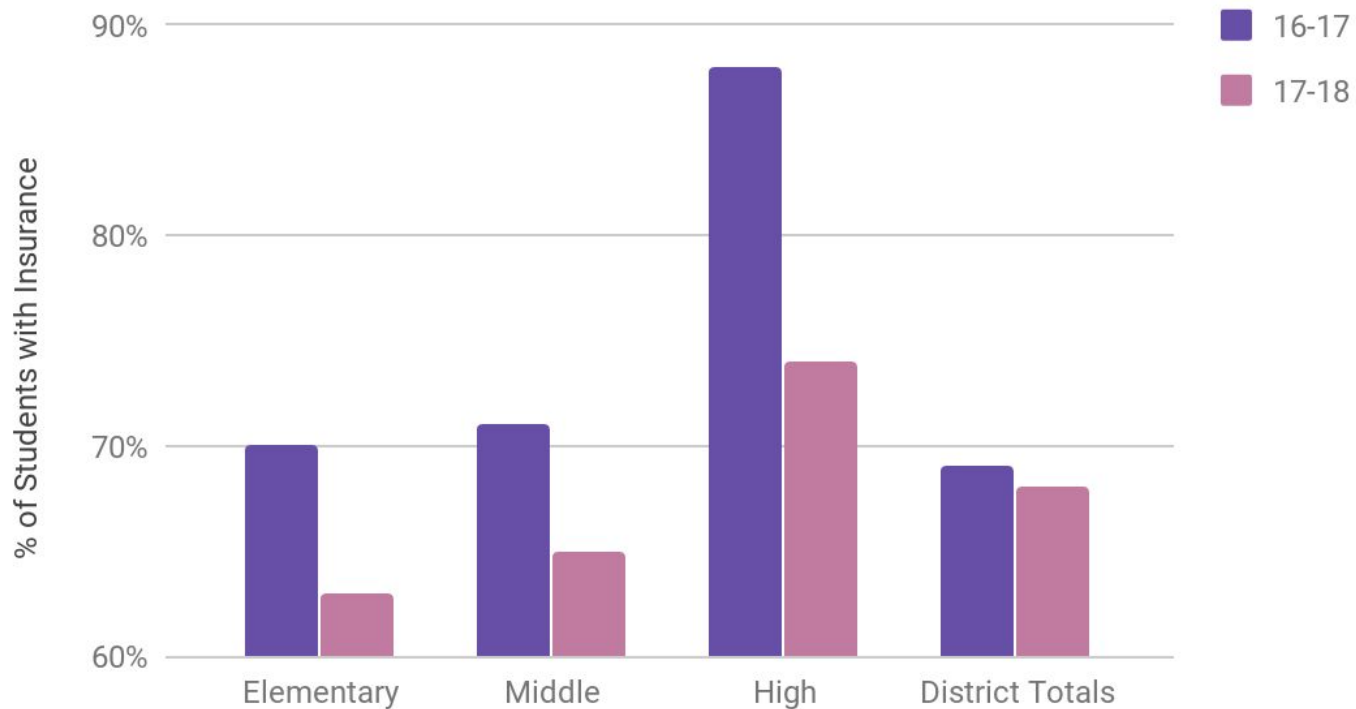

Fiber and Switches

Currently in the planning stages. Should start installing fiber in the spring.

36.7%

Middle School

51.7%

Breakage

Types of Breakage

ISO Duties

Reviewing new policies implemented earlier this year

Privacy Policies

Looking at policies of programs that require a student log in

Databases and Archives

Creating catalogue of data collected, where it's stored and who has access

Writing Policies

Writing out procedures for various situations - requesting access to sites, using programs, etc

Analyzing Current Practices

Reviewing and analyzing the effectiveness of what is in place

Staff Training

Plan to develop training for staff on new procedures and policies

Recommendations

Plan to Upgrade/Replace iPads in Elementary

iPad 2 no longer can no longer be updated

2nd Grade Going 1:1 with Chromebooks

Some have already been purchased

Filtering and Monitoring Software

More robust filtering software to help comply with new policies introduced earlier this year
