

# COVID-19 PROTOCOLS

Developed utilizing [CDC](#) & [Johnson County Community Health](#) guidelines.

## Definition of COVID-19 Exposure:

Fewer than six feet away for more than 15 minutes to an individual who has tested positive OR has been exposed to a known positive case and is exhibiting two or more COVID-like symptoms, during their infectious period. An infectious period is defined as the two days prior to their test or first symptoms, until no longer showing symptoms or ten days after their positive test.

## Notification Procedures:

Holden R-III School District will ensure that all who are directly affected are appropriately notified in accordance with health department guidelines and privacy laws.

### Close Contacts:

Students and staff who have been exposed will be notified and required to begin a 10-day quarantine.

### Staff:

All building staff, including traveling and classified staff members, will be made aware of a positive case in their building.

### Families:

All families of students attending the same school will be notified of a positive case, regardless of exposure level.

### Community:

The district will maintain a "COVID-19 Dashboard" of positive cases on the district website. The dashboard will be updated daily.
